OBJECTIVE

I am a B.Tech Computer Science student skilled in the MERN Stack (JavaScript, React, Node.js, and MongoDB). I have experience in building responsive web applications and working in teams to deliver quality projects. I am looking for an entry-level web development role to apply my skills and grow with the organization.

WORK EXPERIENCE

Web Development Trainee   **July 2024 - Present**

Digicoders Technologies Private Limited , Lucknow

- Designed and implemented scalable web applications using The MERN stack.
- Collaborated with cross-functional teams to deliver projects 15% ahead of deadlines.
- Enhanced application responsiveness, ensuring seamless user experiences across devices.
- Gained hands-on experience with Git version control, API integration, and debugging.

Web Development Trainee (Online Training)   **Aug 2023- Sep2023**

Acmegrade

- Completed an intensive online training program in web development.
- Built and deployment small-scale projects using HTML, CSS, JavaScript, and React.js
